St. John's "Burry's" Church

Accepted by the Council of St. John's "Burry's" Church on October 14, 2014

## Definitions

A **minor** is defined as anyone under the age of 18. For the purposes of these standards, the term "minors" also includes adults who would be considered uniquely vulnerable to abuse because of physical or mental disabilities.

**Physical abuse** is non-accidental injury intentionally inflicted on a minor.

**Sexual abuse** is any contact of a sexual nature that occurs between a minor and an adult. This includes any activity that is meant to arouse or gratify the sexual desires of the adult. Abuse of minors is contrary to the teachings of the Church and is never permissible. Church personnel have a responsibility to actively protect minors from all forms of abuse.

**Church personnel** are defined as any persons, lay, religious or clergy, who are employed by or who volunteer at St. John's "Burry's" Church.

## General Guidelines

*The following guidelines are intended to assist the personnel of St. John's "Burry's" Church in making decisions about interactions with minors in church sponsored and affiliated programs. They are not designed or intended to address the interactions within families. For clarification of any guideline or any inquiry about behaviors not addressed here, one's immediate supervisor should be contacted. These guidelines do not supersede federal or state law.*

1. Ministry to minors within the Church is at the service of the parents who have the first responsibility to care for and educate their children. Therefore, activities with minors are to be conducted with the explicit knowledge and consent of parents or legal guardians.
2. Church personnel are responsible for releasing minors in their care only to parents, legal guardians, or other persons designated by parents or legal guardians at the close of services or activities. In the event that Church personnel are uncertain of the propriety of releasing a minor, they are to immediately locate or contact their immediate supervisor before releasing the child.

If youth have questions not answered or addressed

by their individual teachers they are to be referred to their parents or guardians for clarification and counseling. In addition, Church personnel are never permitted to discuss their own sexual activities with minors.
