## **BIOGRAPHY**

### **DON DEYOUNG**

Don DeYoung is Chairman of the Mathematics/Science Department, Grace College, Winona Lake, Indiana. His courses taught include physics, astronomy and math. Don joined the Grace faculty in 1972 and has spent sabbatical leaves in California, Europe, and the South Pacific. He is a graduate of Michigan Tech University (B.S., M.S., Physics), Iowa State University (Ph.D., Physics), and Grace Seminary (M. Div.). His writings have appeared in many periodicals. He has also written sixteen books on Bible-science topics including object lessons for children.

Dr. DeYoung is a member of the Indiana Academy of Science and the AuSable Environmental Institute. He is currently president of the Creation Research Society with 1,700 members worldwide. This group funds research, publishes a technical quarterly journal, and operates a laboratory in Arizona. Don speaks on creation topics and believes that the details of nature are a powerful testimony to the Creator's care for mankind.

Dr. DeYoung and his wife Sally have three married daughters. In their local church Don is an elder and small group leader.
